Pastor:

The family listed above is applying for admission/re-enrollment in Faith Christian Academy. One of our requirements for admission/re-enrollment is that the family regularly attends the services of a Bible-preaching church. Our doctrinal statement should be included with this form. We seek to be an aid and reinforcement to the home as well as the local church. In keeping with our commitment, we request a pastoral referral in order to determine if our school ministry would in any way hinder your work with this family. Please read our doctrinal statement and then fill out the information on the back of this form. You may include additional comments or information you feel would be helpful in making a determination regarding acceptance. Please return this form directly to our school office. Thank you for your assistance.
