Statement of Cooperation

The faculty and staff of Faith Christian Academy consider it a privilege to assist the family in their God-given role in the education and training of each student. In order to effectively complete the task to which God has called us, we believe that parents need to recognize that they have a responsibility to cooperate with FCA's standards of conduct, music, dress, attitude, and academic standards. We recognize that any authority is God-given and as such we each submit in our respective roles. Recognizing the levels of authority and our responsibilities toward each help us to better understand God's authority. Consistent enforcement of Biblical principles teaches us to submit to God. We have read and we are familiar with the FCA Student-Parent Handbook. We will try to the best of our ability and with God's help to abide by the guidelines given in the handbook. We realize that attending Faith Christian Academy is a privilege and not a right and that it is a privilege that may be revoked due to an improper spirit as well as due to improper actions.
