Faith Christian Academy believes that discipline is necessary for the welfare of the student as well as the entire school. It is impossible for learning to take place in a classroom unless control and good order is maintained. Therefore, we have a commitment to the school families to maintain its standards and requirements for all students. Because attendance at FCA is a privilege and not a right, the privilege may be forfeited by any student who does not conform to the standards and regulations of the school as set forth in the Handbook, and the school may request withdrawal of any student at any time who, in the opinion of the school administration does not fit into the spirit of the school ministry. Our love for you and your child is God-given. However, our love for Jesus Christ and the school students and families as a group takes precedence. **The absence, withdrawal, or dismissal of any student does not relieve the payment of the following tuition amounts:**

before Dec. 1	50% of yearly tuition is due

Philosophy Statement

Faith Christian Academy has set as its purpose to train young people for the cause of Jesus Christ. Luke 2:52 states that "... Jesus increased in wisdom and stature, and in favor with God and man." It is our desire to train young people in all four areas of the person: intellectual, physical, spiritual, and social. Deuteronomy 6:5-7 provide us with a challenge to train children to love God with all of their being. Man is the result of God's creation and man's purpose is to glorify his Creator. Due to the sinful, Adamic nature received as a result of original sin, man cannot understand, appreciate, or fulfill his purpose of glorifying God. Christian education cannot be achieved with those who do not accept Jesus Christ as Lord and Savior. FCA seeks to enroll students from families whose desire is that their children receive a quality education within a Christ-centered environment.

We believe that the Bible is the final authority for education. Faith Christian Academy seeks to provide the best possible education to the students enrolled in the school. Classroom instruction is from a Biblical perspective to provide the students with a Biblical viewpoint of life.

Faith Christian Academy is an extension of the church and of each home represented by the student body. The authority and responsibility for all aspects of a child's development have been given to the parents. The responsibility for education has been laid upon both the home and the church. FCA is the ministry Faith Baptist Church uses to carry out this responsibility. We desire to train young people to love and serve Jesus Christ, a result that can only be achieved when all three entities (church, home, and school) work together. It is our desire to assist families as they seek to raise their children in "the nurture and admonition of the Lord."

Our goal is to provide a high quality education, but our highest priority is to increase within the students a desire to please God in all that they do. God is the creator of all truth, to the point that Jesus Christ stated that "I am the way, the truth, and the life ...". All knowledge must be based on the revealed word of God.
